EXPERIENCE:

Alexis landed her dream job as a Registered Dietitian after attending LSU. She has been practicing under Ochsner Health for nearly two decades, working specifically at Ochsner Fitness Center. She has incredible passion and connects with patients on a unique and personal level. She'll work to optimize your diet, and improve overall wellness. She will also make sure you accomplish this while having fun too!

Specialties:

- Performance Fueling
- Weight loss
- Weight management
- Family nutrition counseling
- Food sensitivities
- Food allergies
- Inflammatory disorders

Favorite things about your field:

- I love seeing my patients progress and really enjoy making positive lifestyle changes.
- Seeing a smile on their face after being committed to these changes is truly the highlight of my job.
